

## **Tool List for Table Class for Florida School of Woodwork 2022**

### **Ideal Tools to bring**

Dovetail Saw  
Chisels 3/4", 1/2", 3/8", 1/4"  
Good 12" Square (ideally a Starrett 4R Graduation) or 8" engineers square  
Marking Knife  
Joiners Mallet  
No 4 or 4 1/2 Smoothing plane (personal preference is Lie-Nielsen planes)  
Spokeshave  
Card Scraper  
Coping saw  
Cutting Gauge or Tite-mark circle cutting gauge  
Mortise gauge  
Large Router plane  
Dividers  
Tape Measure  
Note book and Pencil

### **Optional tools, if you have them and can bring them**

Tenon saw  
Jointer plane  
Cabinet Scraper  
Plough plane with 1/4" cutter  
Block plane  
Rabbit Block plane

Your preferred sharpening stones (I will have some and the school has some if you can't bring)

If you have any questions on this list or need help picking which tools to bring please feel free to email me (Frank) at [strazzafurniture@gmail.com](mailto:strazzafurniture@gmail.com) or text me at 254-366-3708

Also I have a few extra tools I can bring if need be and the school has lots of tools as well.
